

Private and Commercial Pesticide and Fertilizer Applicator Recertification

Sponsored by :

Preble Soil & Water Conservation District
Conserving our Natural Resources

Hear from industry experts and enjoy a great lunch, while meeting the requirements to renew your Ohio Private or Commercial Pesticide Applicator's License!

Tuesday, January 28, 2025

9:00 a.m. to 2:00 p.m.

Eaton First Church of God, 601 East Lexington Road, Eaton

Private Training includes Private Categories: Core, 1, 2, 6, and 15

Commercial Training includes Commercial Categories: Core, 2C, 9C, 10C, and 15C

If you have a license category that you do not see listed, we do not offer it at our class.

OSU Extension and other partners also offer programs at other locations outside of Preble County.

This program is approved by the Ohio Department of Agriculture to meet requirements for pesticide relicensing.

Payment for this course is IN ADDITION TO a separate payment you need to mail to ODA for your license renewal.

Class refunds are not available.
