Conservation Day Camp 2021

ADVERTISING THIS ACTIVITY THROUGH THE SCHOOLS HAS BEEN APPROVED. HOWEVER, THE ACTIVITY IS NOT SPONSORED BY THE EATON COMMUNITY SCHOOL DISTRICT

March 22, 2021

Hello, all!

It's that time of year again... our 6th annual Conservation Day Camp is back and better than ever! We are calling all 2nd-5th grade Preble County students to join us in June for 3 days of outdoor fun, with just a hint of learning. We have outlined a few safety guidelines for camp. Your child's safety is our number one concern!

If your child has a fever or is not feeling well, please keep them at home for the safety of the other kids. Campers are encouraged to attend all three days and will be assigned to a group that will stay together throughout the day.

Campers, staff, and volunteers will not be required to wear a face mask, but campers may certainly wear one if you feel it is needed. Campers will have the opportunity to wash their hands before activities, before and after lunch, and after activities before leaving for the day. Counselors for each group will carry hand sanitizer and hand wipes to each station.

Our camp is hosted completely outdoors. We have tents set up at different stations to provide shade and cover in the event that it should rain. Most activities involve outdoor play, and we intend to minimize the use of shared objects or materials. Stations are located in different areas of the Preble County Historical Society property and groups will be kept separate when gathering at the amphitheater for morning arrival and afternoon dismissal.

We can guarantee that your child will have a great time. Day camp is a wonderful opportunity for kids to see old friends, meet new friends, and get active while learning about our environment! We hope to see you as we venture into the woods for nature hikes, crafts, creeking, and more! Please feel free to share this with family or friends of Preble County 2nd-5th grade students! For any questions or concerns, please call the office at 937-456-5159 or email Kate at katesills@prebleswcd.org.

Sincerely,

Kate Camden, Outreach Coordinator
