Conservation Day Camp 2022

April 6, 2022

Hello, all!

It's that time of year again... our 7th annual Conservation Day Camp is back and better than ever! We are calling all 2nd-5th grade Preble County students to join us in June for three days of outdoor fun, with just a hint of learning.

Campers are encouraged to attend all three days and will be assigned to a group that will stay together throughout the day.

Our camp is hosted completely outdoors. We have tents set up at different stations to provide shade and cover in the event that it should rain.

Day camp is a wonderful opportunity for kids to see old friends, meet new friends, and get active while learning about our environment! We hope to see you as we venture into the woods for nature hikes, crafts, creeking, and more! Please feel free to share this with family or friends of Preble County 2nd-5th grade students! Also, if you know of any junior high, high school, or college-age students who would enjoy serving as a camp counselor, please send them our way. For any questions or concerns, please call the office at 937-456-5159 or email BJ Price at bjprice@prebleswcd.org.

Sincerely,

BJ Price, District Administrator/Technician
